IT is to the "humble homes" of Canada that the great majority of Life Insurance payments find their way.

Many such homes today would lack the necessities of life—were it not for the "little savings" which thrifty parents have set aside periodically in Life Insurance.

aside periodically in Life Insurance.

To the family which loses its breadwinner,
Life Insurance means money to buy food
and clothing — money to pay the rent—
m.mcy to pay household bills — money to
educate the children. Life Insurance also

In your own community, as well as in hundreds of cities and towns across Canada, "little savings" in Life Insurance are doing "big jobs". During the past six years, policyholders and beneficiaries in Canada have received, daily, from their Life Insurance Savings, half a million dollars.
